If YES Can they be restrained at time of delivery NO`` YES

Draw mud map of drop area position on back of this from or any further delivery instructions.

By signing the form below you accept any additional fees and charges that may apply and that all of the information given on this form is true and correct. If your order is deemed unsafe or at risk of damage or can't be delivered on the date stated on this form you the customer will be notified.

*Due to the size, weight or material length some deliveries require additional assistance unloading. Additional charges may be applied to cover extra handling required to unload your material if customer assistance can't be provided. Our crane truck service will be offered for oversized material not liftable by hand. Additional charges applied to this delivery are as follows.

`` Due to work place health and safety the delivery driver has been instructed to contact the customer and request that dogs be restrained before entering the premises. The customer will be phoned if no response after 10min then the delivery will be missed and an extra delivery charge & date will need to be organised.
